'Wonder': New Trailer Finds Jacob Tremblay Leading Tearjerker Adaptation

Lionsgate has released a new trailer for [Wonder](#), the upcoming drama adaptation from *The Perks of Being a Wallflower* filmmaker **Stephen Chbosky**. The film is based on the novel of the same name by **R.J. Palacio** and stars **Jacob Tremblay** as a young boy born with facial differences that, until now, have prevented him from going to a mainstream school. As he enters the fifth grade, he faces tremendous challenges but also finds unlikely friends.

Aside from the unremarkable pop song that's layered over this thing, this new trailer is quite good. This continues to look like an early contender for "Tearjerker of the Year," and **Julia Roberts** and **Owen Wilson** look to bring some welcome warmth to the roles of the boy's parents. Chbosky did a tremendous job of navigating tricky waters in helming *The Perks of Being a Wallflower*, which could have come off as clichéd or trite but instead was genuine and moving. One imagines he can do the same with *Wonder*, which similarly could delve into sappy territory.

There's also added interest in *Wonder* now that co-writer **Jack Thorne** [has been hired to rewrite *Star Wars: Episode IX*](#). Thorne is one of three writers on *Wonder* alongside Chbosky and **Steven Conrad** so who knows how much of his work is in the finished film, but folks will no doubt be curious.

Check out the new *Wonder* trailer below. The film also stars **Mandy Patinkin** and **Daveed Diggs** and opens in theaters on November 17th.

Here's the official synopsis for *Wonder*:

Based on the New York Times bestseller, WONDER tells the incredibly inspiring and heartwarming story of August Pullman. Born with facial differences that, up until now, have prevented him from going to a mainstream school, Auggie becomes the most

Ik ben Hannes Van Hijfte, 23 jaar, en leef te Sleidinge. Mijn studies volg ik aan de Arteveldehogeschool in Mariakerke waar ik de richting Grafische en digitale media studeer. Binnen deze richting heb je een aantal afstudeerrichtingen. Ik volg de afstudeerrichting Multimediaproductie proDUCE, wat inhoudt dat ik filmpjes maak, websites codeer, animaties maak en zoveel meer.

In mijn vrije tijd beoefen ik een aantal sporten. Ik voetbal bij een cafévoetbalploeg. Alsook ga ik af en toe eens gaan fietsen en mountainbiken. Verder ga ik om de twee weken ook nog minivoetballen. Mijn belangrijkste hobby, of zelfs passie, is het kijken van films en series. Ik ben zeer veel bezig met film en al wat er rond gebeurt. Ik zou later graag ook in deze branche terecht komen.
